

Russell Moore Music Fest

November 17, 2007 12 to 6pm, Rawhide Pavilion

Dear Russell Moore Fan,

We are excited to announce the return of the Russell Moore Music Fest (RMMF). It will be held on November 17, 2007 at the Rawhide Pavilion, Chandler Az, located on Interstate 10 East, Exit 162.

The Russell Moore Music Fest was established in 1998 to promote quality entertainment and a venue for Native musicians and artisans. It seemed natural to name the event after the jazz musician Russell Moore (1912-1983). He had many outstanding accomplishments as a jazz musician and was a member of the Gila River Indian Community.

The Russell Moore Music Fest would like to invite you to support this unique event by becoming a sponsor. This sponsorship will reach many Native communities in the Phoenix valley and other surrounding communities. Attached is a price sheet for the RMMF commemorative magazine. There are a variety of advertisements available. The RMMF is a well-known event throughout Indian country for an afternoon of great entertainment. You can make your contribution payable to:

RMMF C/O Gila River Telecommunications, Inc.
Box 5015, 7065 W. Allison Rd.
Chandler, AZ 85226

The Gila River Artist Market will hold their annual pre-holiday market during the RMMF. These artists will promote authentic and unique Native arts and crafts. Join us in promoting music and the arts to be enjoyed by all Communities. Feel free to call for more information. The Russell Moore Music Fest thanks you for supporting the music and arts for all Nations.

Sincerely,

Jean Nahomni Mani
